"U.S. Savings Bonds can mean a brighter future for you...and America."

I'm appealing to *every* American to support the U.S. Savings Bonds program.

With today's competitive-rate Bonds, you can earn higher market-based interest *and* at the same time play an important role in America's growth and prosperity. Last year alone, U.S. Savings Bonds saved our Treasury nearly $2 billion. That's something every taxpayer benefits from.

Why not serve your country while you save. Buy U.S. Savings Bonds through your Payroll Savings Plan where you work. It's the way to build up your savings while you build a better America.
